

FMCS 2021 Virtual Symposium Contributed Poster Overview and Steps

I. Overview

- a. Virtual poster sessions are designed for presenters who are not able to be present in person at the conference.
- b. Travel, funding, and schedule (and global pandemics) can sometimes make it difficult for participants to attend the conference in-person.
- c. To support more inclusive participation, virtual poster sessions enable participants to present work to a body of peers and to engage with colleagues from afar, bringing global ideas to the local spaces.
- d. All FMCS virtual posters and associated YouTube videos should be submitted by the deadline so they can be posted on the symposium web page

II. FMCS 2021 Symposium Virtual Poster Technical Requirements

- a. The Virtual Poster must be one page/one image.
 - i. Additional pages/images will not be accepted.
- b. Virtual Posters should be created using the FMCS size guidelines
 - i. The maximum width is 48 inches (130 cm); the maximum height is 36 inches (100 cm). The templates below are formatted to this size.
- c. Submissions
 - i. JPEG file size should not exceed 400MB
 1. All files must be saved in JPEG format, no other extensions will be accepted
 2. Remember to Save your Presentation using the LastName_FirstInitial_Event_Year_PresentationType_Year format (e.g. Christian_A_FMCS_Poster_2021)
 3. Submit your poster JPEG
 - ii. YouTube 3-Minute Message (YT3MM) video
 1. Make sure to record you initial recording using MP4
 2. Set your privacy settings to “Public” or “Unlisted”. This is very important otherwise your YouTube will not be viewable

group/mentor as appropriate

2. The “hook”
 - a. Something personal, emotive, or human that builds the bridge between your scholarly activity and everyday life
 3. A beginning
 - a. A brief introduction/background that is important and the goal or expectation of your scholarly activity
 4. A middle
 - a. The approach you took, study design, or experimental design
 5. An end
 - a. The major finding(s)
 6. The wrap up
 - a. The significance and how it relates back to your “hook”
- iv. Things to remember
1. Make sure your presentation has a beginning, middle and end
 - a. Try to come full circle, aka back to your hook, just like a good comedian or storyteller
 2. Use your poster as the prop, refer to your illustrations on your poster or in your “imagination”
