

**Author Index to *Ellipsaria*,
Newsletter of the Freshwater Mollusk Conservation Society
ISSN 2689-2936**

Volumes 1 (1999) through 22 (2020)

This is an index to the “Contributed Articles” published or posted in the FMCS newsletter *Ellipsaria* (**E**). Articles are indexed only by the senior author.

- Agudo, A. Ignacio. 2002. Preliminary Report on the Freshwater Mussels/Clams (Bivalvia: Unionoida & Veneroida) of Santa Catarina State, Southern Brazil. **E, 4(2):10-11.**
- Agudo, A. Ignacio. 2003. Freshwater mollusks inventory (Gastropoda & Bivalvia) of Santa Catarina State, Southern Brazil. **E, 5(1):12-13.**
- Agudo, A. Ignacio. 2003. New freshwater mollusk reports (Gastropoda & Bivalvia) of Santa Catarina State, Southern Brazil. **E, 5(2):8.**
- Agudo, A. Ignacio. 2003. New records of freshwater mollusks (Gastropoda & Bivalvia) from Santa Catarina State, Southern Brazil – II. **E, 5(3):15.**
- Agudo, A. Ignacio. 2004. Preliminary report on the freshwater mollusk fauna of Mampituba river basin, Santa Catarina State, Southern Brazil. **E, 6(1):10-11.**
- Agudo, A. Ignacio. 2004. The freshwater mollusk fauna of Santa Catarina State, Southern Brazil: a comprehensive general synthesis. **E, 6(1):11-12.**
- Agudo, A. Ignacio. 2004. Additional new records of freshwater mollusks (Gastropoda & Bivalvia) from Santa Catarina State, Southern Brazil, with complementary observations about mollusks fauna from the Mampituba river basin. **E, 6(2):14-15.**
- Agudo, A. Ignacio. 2004. Zoogeographical distribution on the freshwater mussels/naiades (Bivalvia:Unionoida & Veneroida) in Santa Catarina State's territory, Southern Brazil. **E, 6(2):20-21.**
- Agudo, A. Ignacio. 2004. Preliminary General Inventory of Continental Mollusks (Gastropoda & Bivalvia) from Santa Catarina State, Southern Brazil. **E, 6(3):14-16.**
- Agudo, A. Ignacio. 2005. The Freshwater Mussels/Naiades of Upper and Medium Sessions of the Uruguay River Basin, Southern Brazil: A Brief Approach to its Knowledge. **E, 7(3):9-10.**
- Agudo, A. Ignacio. 2005. New records to Add to Inventory of Continental Mollusks (Gastropoda & Bivalvia) from Santa Catarina State, Southern Brazil. **E, 7(3):8-9.**
- Agudo, A. Ignacio. 2005. Preliminary Notes on the Freshwater Mussels/Naiades of the Paraná State, Southern Brazil. **E, 7(3):9-11.**
- Agudo, A. Ignacio. 2006. New Records of Continental Mollusks (Bivalvia & Gastropoda) from Paraná and Santa Catarina States, Southern Brazil Region. **E, 8(1):10-11.**
- Agudo, A. Ignacio. 2006. Asiatic Golden Mussel, *Limnoperna fortunei* (Dunker, 1857), in the Uruguay River Basin: a report about the progress heading in direction to the Southwest Brazil region. **E, 8(2):10-11.**
- Agudo, A. Ignacio. 2006. Intermediate host mollusks (Gastropoda: Pulmonata) of parasitic diseases in Santa Catarina's State, Southern Brazil, with inclusion of new records to add to regional inventory. **E, 8(2):11-12.**
- Agudo, A. Ignacio. 2006. Preliminary Notes on the Freshwater and Terrestrial Gastropod Mollusks of the Paraná State, Southern Brazil. **E, 8(3):9-12.**
- Agudo, A. Ignacio. 2006. Additional records of land and freshwater mollusks (Gastropoda & Bivalvia) from Paraná State, Southern Brazil region. **E, 8(3):12.**

- Agudo, A. Ignacio. 2007. Some Observations about Continental Mollusks (Gastropoda & Bivalvia) in Two Ecological Parks of Paraná State, Southern Brazil. **E, 9(1):10-11.**
- Agudo, A. Ignacio. 2007. Invader Progress of the Asiatic Golden Mussel, *Limnoperna fortunei* (Dunker, 1857), in Southern Brazil. II: Vulnerable Geographical Points to its Entrance in the Santa Catarina State Territory. **E, 9(1):17-19.**
- Agudo, A. Ignacio. 2007. Preliminary Report of Continental Mollusks in the Central Paraná State Region, Southern Brazil, with Additional Information. **E, 9(2):5-7.**
- Agudo, A. Ignacio. 2007. Exotic Isolated Occurrence of the Mussel Naiad *Leila blainvilleana* (Lea, 1834) in a Freshwater Coastal Lagoon of the Santa Catarina Island, Southern Brazil. **E, 9(3):10-12.**
- Agudo, A. Ignacio. 2008. Occurrence of the invasive exotic freshwater snail *Melanoides tuberculatus* (Müller, 1774) in Santa Catarina State, Southern Brazil, and the potential implications for the local public health. **E, 10(1):16-17.**
- Agudo, A. Ignacio. 2008. Freshwater mussel news (Unionoida: Hyriidae) from Paraná State, Southern Brazil region. **E, 10(1):17-18.**
- Agudo, A. Ignacio. 2008. First registration of continental mollusks in the Extreme West region of Santa Catarina's State, SC, Southern Brazil. **E, 10(2):10-11.**
- Agudo, A. Ignacio. 2008. Malacological news from Paraná State, Southern Brazil region: additional registrations. **E, 10(2):11-13.**
- Agudo, A. Ignacio. 2008. New Malacological Observations in the Arapey River Region, Salto Department, Oriental Republic of Uruguay, Southern Cone of South America. **E, 10(3):10-12.**
- Agudo-Padrón, A. Ignacio. 2009. New malacological records from Paraná State, Southern Brazil region, with a general synthesis of current knowledge. **E, 11(1):11-13.**
- Agudo-Padrón, A. Ignacio. 2009. General mollusk fauna of Rio Grande do Sul State, Southernmost Brazil region: a preliminary revision rehearsal **E, 11(1):13-18.**
- Agudo-Padrón, A. Ignacio. 2009. First confirmed record of amphibian slugs *Omalonyx* (Gastropoda: Pulmonata: Succineidae) for Santa Catarina's Island, Southern Brazil **E, 11(1):18-19.**
- Agudo-Padrón, A. Ignacio. 2009. New Malacological Records from Paraná State, PR, Southern Brazil Region. II. Supplementary Annex. **E, 11(2):6-7.**
- Agudo-Padrón, A. Ignacio. 2009. Endangered Continental Mollusks of Santa Catarina State, Southern Brazil: An Overview. **E, 11(2):7-8.**
- Agudo-Padrón, A. Ignacio. 2009. General Mollusk Fauna of Rio Grande do Sul State, RS, Southernmost Brazil Region: a Preliminary Revision Rehearsal. II. New Bibliographical Records. **E, 11(2):9-10.**
- Agudo-Padrón, A. Ignacio. 2009. First confirmed record of the exotic slug *Milax gagates* (Draparnaud, 1801) in the Southernmost Brazil region. **E, 11(3):15-16.**
- Agudo-Padrón, A. Ignacio. 2010. Mollusk fauna of Santa Catarina's State, SC, Southern Brazil region: 14 years synthesis of knowledge and research. **E, 12(1):10-15.**
